

The Aceti Art 139 and 140 are heavy duty professional 1 meter mop polishers designed for arduous of polishing tasks. The units come supplied with inverters to control the mop speed allowing you to get the best mop speed for the job you are doing. The guards can be moved to allow for mop wear and are interlocked for safety. The Art 140 has independent motors allowing for either side or both to be used and both motors are also full controlled with their own independent inverter. Mounted on heavy duty vibration damping feet and allowing for the operator to sit whilst working these machines are ideal for all day use.

Specification	Art 139	Art 140
Motor Power	5.5 kW	2 x 5.5 kW
Motor Speed	0 – 1500 rpm	0 - 1500 rpm
Mop size Maximum	960 x 100 x 45 mm	960 x 100 x 45 mm
Mop Centre Height	1000 mm	1000 mm
Noise in average working conditions dB (A)	75	75
Overall dimensions (width/depth/height)	1560 x 1460 x 1600 mm	1560 x 1460 x 1600 mm
Net weight Kg.	1050 kg	1150 Kg

TECHNICAL DESCRIPTION

- Extraction Points at Rear.
- Variable speed motors
- Fully interlocked guards
- Anti-vibration feet fitted
