

The Aceti ART 30 is a robust abrasive disc and telescopic belt linisher mounted on a useful cabinet stand. The twin speed motor allows for more control when processing those more delicate components..

The disc sander takes a 400mm disc and due to the solid backing disc there is no give behind the sanding disc allowing for good levels of flatness to be achieved easily. Fully adjustable work rest from 0-90 degrees included.

The belt grinder takes a belt 50mm wide belt, with a length of between 2000 and 2500mm.

The unit is supplied with low voltage controls and DC injection braking.

Specification	
Motor (Twin speed)	1.8 kW
Motor Speed	1400 & 2800 rpm
Disc Size Ø	400 mm
Disc Worktable Size	450 x 230 mm
Belt Size	50 x 2000 – 2500 mm
Noise in average working conditions dB (A)	70
Overall dimensions (width/depth/height)	600 x 900 x 185 0mm
Net weight Kg.	150 Kg

### TECHNICAL DESCRIPTION

- Robust 50x2000-2500mm abrasive belt linishing machine.
- 400mm disc sander
- Orientable Belt Grinding Head.
- Linishing head with full guard
- Extraction Points at Rear.
- Optional internal dust extraction system.
