

The Aceti Art 59 is a heavy duty flatbed abrasive belt linisher designed for working on large castings and fabrications. Ideal for engine blocks and housings. Perfect for giving an excellent flat surface without the expense of milling.

The Art 59 runs at a slower speeds to allow for better control when grinding larger parts.

The machine is mounted on a large useful cabinet stand.

Low volt controls and DC injection braking are supplied as standard.

Options include foot pedal controls and an inverter for even more control.

Specification	
Motor (Twin speed)	5.2 kW
Motor Speed	700 & 1400 rpm
Workable Flat Bed Size	500 x 1000 mm
Abrasive Belt Size	500 x 3100 mm
Noise in average working conditions dB (A)	75
Overall dimensions (width/depth/height)	1100 x 1700 x 1100mm
Net weight Kg.	500 Kg

### TECHNICAL DESCRIPTION

- Large flat platen – 500x1000mm
- Perfect for large flat items
- Slower speed for more control
- Optional foot control and inverter available
