

The Aceti Art 64 is a heavy duty flatbed abrasive belt linisher designed for working on large castings and fabrications. Ideal for engine blocks and housings. Perfect for giving an excellent flat surface without the expense of milling.

The Art 64 is a twin speed machine to allow for better control when grinding larger parts.

The machine is mounted on a large useful cabinet stand.

Low volt controls and DC injection braking are supplied as standard.

Option include foot pedal control and inverter.

Specification	
Motor (Twin speed)	4.4 kW
Motor Speed	1400 & 2800 rpm
Workable Flat Bed Size	300 x 900mm
Abrasive Belt Size	300 x 2500mm
Noise in average working conditions dB (A)	70
Overall dimensions (width/depth/height)	720 x 1390 x 1020mm
Net weight Kg.	290 Kg

TECHNICAL DESCRIPTION

- Large flat platen – 300x900mm
- Perfect for large flat items
- Twin speed for more control
- Optional foot control and inverter available
